2.

50X1

50X1

Both the MGB and MVD Headquarters were located in the same building /Point #3/ on Lenin Street between Sakko and Vaitseti Street /Point #4/ and March 8th Street /Point #5/. This building occupied the entire block area and was constructed of brick with a slightly pitched tin metal roof. 50X1

3.

50X1

The Communist Party Headquarters /Point #9/ was located on Lenin Street. The building was either two or three stories high, constructed of brick and had a slightly pitched tin metal roof.

4.

5.

6.

50X1

On Lenin Street there was a parliament building (Dom Soyuzov) /Point #8/ and the City Council /Point #7/ both of which were two or three stories high, constructed of brick and had a slightly pitched tin metal roof.

7.

50X1

Most of the buildings in the center of the city were constructed of brick with a slightly pitched tin metal roof. However, the residential areas in the center of the city were predominantly constructed of wood.

8.

In the suburbs practically all the homes were of wooden construction.

9.

50X1

There was a steel plant /Point #1/ along the shore of the Iset River but [redacted] the name (imeni) or number of the plant. Neither am I able to give a plant layout [redacted] 50X1
believe that the buildings were constructed of brick with a slightly pitched tin metal roof. 50X1
